The Public Service Commission will hold a meeting in Miles City on Monday, February 26, to obtain public comments on Montana-Dakota Utilities' integrated electric resource plan.

The meeting will begin at 10 a.m. at the Miles Community College, 2715 Dickenson Street, Room 106. Some meeting participants will join the meeting via video conferencing. The video conferencing site will be in Helena at the Department of Public Health and Human Services, 111 Sanders, lower level auditorium.
